The image shows the exterior of a modern building with a large glass entrance. A prominent white sign is mounted above the entrance, featuring the company name "Eurivex Global" in a bold, blue, sans-serif font. The sign is slightly angled, and the building's facade is made of light-colored stone or concrete panels. The sky is visible in the background, suggesting an outdoor setting.

RESPONSIBLE INVESTING

Eurivexglobal is committed to conducting business in a safe, responsible, and ethical manner. These principals guide our decision-making throughout the investment lifecycle.

From the onset of the investment process, we pursue ideas inspired by environmental, social, and governance ('ESG') issues and participate in industries engaged with these themes. All assets in which we invest are first vetted by our professionals, who work closely with expert advisors, to identify and mitigate potential ESG conflicts. Our ESG due diligence program requires an assessment of ten key ESG areas which may impact the current or future performance of a company. One Equity Partners will forego any investment that fails to meet its ESG standards.

As investments mature, One Equity Partners seeks to continually improve upon ESG reviews and recommendations, and, together with management, works to ensure that ESG issues are prioritized through to and beyond exit.
